

To Whom It May Concern

We, Millennium Information Solution Ltd, the OEM of Ababil Core Banking Solution, hereby certify that we have conducted Compatibility, Operational, and Load testing of AbabilNG with the Microservice Platform on Hybrid Multicluster Kubernetes environment established by CompTech Network System Ltd.

Our testing has revealed that the solution is compatible with all of our modules, and the benchmarking results for application performance were found to be satisfactory.

Sincerely,

03.03.2024

(Shah Md. Ziaur Rahaman)

Executive Director, Technical

Millennium Information Solution Ltd.
